The four vineyards of the Swan Creek Wine Trail are located within both the Yadkin Valley and Swan Creek federally-designated wine regions of North Carolina. All are family-owned vineyards that are an easy drive from the Triad area coming from the east, Charlotte from the south or Wilkesboro and Boone from the north. Only 5 miles apart, we are the closest vineyards in proximity within the state of North Carolina. Rocky, mineral rich soils, higher elevation and a longer growing season make wines from Swan Creek unique and distinctive award-winners.
